Welcome

to the
20's & 30's (and all ages) Dinner
and Social Club. Eight years and
we're still bringing people together
to explore delicious food and meet
great new friends! Join our diverse group of young adults
interested in exploring San Diego's culture and cuisine while

meeting new people with
similar interests. Our events
range from dinners at new
and interesting restaurants,
to cultural events such as art
exhibits, plays, and musical
performances. Some members
also lead hikes and
camping trips.

Enjoy the events received though

our confidential email service or
submit your own event ideas and

bring a group with you to your favorite venue! Sign up to hear about
our upcoming events!

To join, go to our "Membership and Contact Info." page.
